## ROMAC IS GEARED TO MAXIMIZE

Romac Supply Co. makes your job much easier. We are eager to supply and service your electrical component needs quickly and at reasonable prices. Avail yourself of our huge inventory of the finest new lines from high quality manufacturers. We offer tremendous savings on used and recycled gear — an unbelievable array including obsolete items not available elsewhere. Use our resources to increase your profits.

ROMAC'S 4 1/2 ACRE LOS ANGELES FACILITY.

## EXPERT TECHNICAL ASSISTANCE

Phil Rosenfield President Lu Rosenfield Vice President David Rosenfield V.P. & Gen. Mgr. Research & Dev. Jim Rosenfield Office Manager Frank Gates

Roy Phares Plant Supt. Ruben Cobian Foreman Ron Markham Sales Manager Rudy Valverde Sales Bud Bourasa Sales Manager

We're professionals and ready to help. Put us to the test. We'll determine your needs, locate the items and keep your plant rolling. We are available in emergencies!

## ONE STOP SHOP

We handle the gamut of electrical power equipment. Give us your shopping list. Romac will put the package together for you.

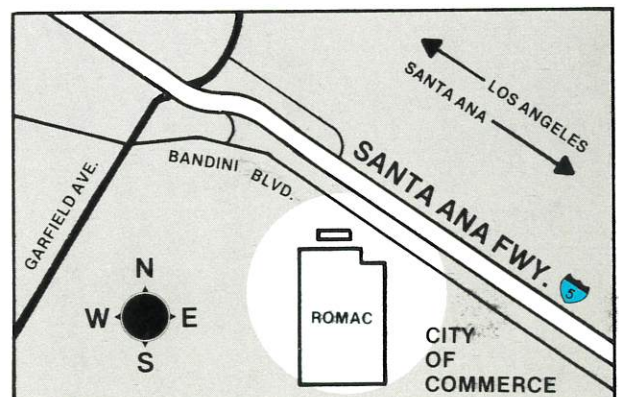

We've got an inventory that has to be seen to be believed. Much too large to be listed here. Come on down and browse. Take a look at this vast resource because sooner or later you'll put it to work — at a big advantage to you.

## SOURCES THROUGHOUT THE U.S.

What you don't find in our giant Commerce warehouse, we'll locate for you using our sources throughout the United States.

## QUICK DELIVERIES . . .

especially on hard-to-get items. If you have a crisis — you'll find that we have an extraordinary willingness to serve.
